

This message is going to hundreds of people, so everyone is blind copied.

Hello Everyone – at least the ones on email,

I talked to the WSMR Kids Reunion Committee Chairman the other day and he had some information to pass on and a request.

First, the information.

Yes, we are still planning on having a WSMR Kids Reunion during Labor Day weekend in September of 2004. As it turns out (of course – nothing is set in concrete); most or all of the activities are being scheduled to occur on the base. The committee is working with the base to see if we can acquire housing - on the base- during our stay. Butch had this to say about that.

“Bill, As per discussion/request: The committee is working with the base to see if we can acquire housing-on the base-during our stay. Even if housing @ WSMR is available, it may work out that they will not be able to accommodate our entire group since there are only a limited number of units available. We intend to allocate the available units on a 1st come, 1st served basis. Even at that, **we have been told by Public Affairs that if a military family/individual came through and requested accommodations, we would be "bumped" from our units even w/reservations. Bumping would be done on a "last registered, first bumped" basis. Please keep that in mind and make your reservations with that understanding if you opt to try to stay @ WSMR for the reunion activities.** We will be providing information on quoted pricing for available units at WSMR and hotels/motels in the Las Cruces/El Paso areas at a later date. If you are interested in "taking your chances" w/accommodations @ WSMR, please let Bill know ASAP. We will also have a limited # of RV spaces available @ WSMR with the above restrictions if that is an option for you.”

Now, the request. I want you to understand that this is a preliminary poll and that it only includes people that have email. If you have relatives that wish to reply, you can reply for them. (Please make all replies to this email address.) (Also, as a side note – as of July 1, 2003; my new email address will be wadler1@comcast.net . You are supposed to be able to still send to this old address until December 2004 –after the reunion.)

Please respond via email - no matter what your response is.

I will take this poll over a one month period to give people time to respond.

There will be an ALL 60's LCHS Reunion going on at the same time. Our main evening event is scheduled for Saturday evening. Their main evening event is scheduled for Sunday evening. Just thought I would let you know. <http://lchsall60s.tripod.com/> They may make provision for the WSMR Kids to purchase Prom tickets instead of their entire package for those that want to go to the prom.

See you all in 15 months.

Regards,

Bill Adler
