

Good Day All,

If you ever wondered why these emails are numbered, it is because it takes seven emails to get all the addresses added. Comcast will not allow over a certain number of email addresses to be included in a message. (Even when people are Blind Copied.)

The Reunion Committee has asked me to send a message to everyone to remind those of you that had indicated that they were coming to the reunion – to register. Those of you that indicated that you may be coming to the reunion need to register – also. And, those of you that never indicated one way or another may register at this time as well.

For those that have registered – thank you.

Just for fun –so you won't be shocked when you see me.

Here is a picture of me on my Cushman Eagle in 1961 when we lived on Zeus and a picture of me NOW.

Send pictures to me if you wish.... Before and after if you have them....

Please register by June 20, 2004.

See you in 14 weeks.
